

Velum[®]Prime

Contains: 400g/litre fluopyram
in the form of a suspension concentrate

Net Contents:

1, 3, 5, 15 litres

Nematicide

**Nematicide for the suppression of root knot nematodes in
Carrots and Parsnips.**

Registered pursuant to the ACVM Act 1997, No P9252
See www.foodsafety.govt.nz for registration conditions.

Approved pursuant to the HSNO Act 1996, No HSR101067
See www.epa.govt.nz for approval conditions

WARNING
HSNO Classifications

6.9B May cause damage to organs through prolonged or repeated exposure
9.1C Harmful to aquatic life with long lasting effects
9.3C Harmful to terrestrial vertebrates

PRECAUTIONS:

Do not eat, drink or smoke while using.
Remove protective clothing and wash hands and face thoroughly before meals and after work.
May be harmful if swallowed, inhaled or absorbed through the skin.
Take all reasonable steps to ensure that the substance does not cause any significant adverse effects to the environment beyond the application area.
Do not apply directly into or onto water.

PERSONAL PROTECTION:

Wear protective clothing such as impervious gloves, waterproof hat, coat and trousers when using the product.

STORAGE: Store in original container tightly closed and in a locked dry, cool, well ventilated area, away from food stuffs.

SPILLS AND DISPOSAL: When dealing with spills wear personal protective clothing and equipment as described in the PERSONAL PROTECTION section.

Contain the spill by damming, recover spilt product by absorbing with sawdust or an inert absorbent material then transfer the recovered spilt material to a properly labelled drum. Deal with all spillages immediately. If contamination of drains, streams, watercourses, etc. is unavoidable, warn the local water authority.

Disposal: Dispose of this product only by using according to the label or at an approved landfill. Avoid contamination of any water supply with product or empty container.

Container Disposal: Triple rinse container and add residue to mixture. Take to an Agrecovery collection site.

FIRST AID:

If swallowed do NOT induce vomiting.

For advice, contact the National Poisons Centre 0800 POISON (0800 764766) or a doctor immediately.

If skin contact occurs, remove contaminated clothing and flush skin with running water.

If splashed in eyes, wash out immediately with water.

If inhaled move the victim to fresh air immediately.

DIRECTIONS FOR USE:

Mixing: Shake well before use. Half fill the spray tank with water then pour in the required quantity of Velum Prime with agitators running, then top up with water.

RECOMMENDATIONS:

Crop	Pest	Rate	Remarks
Carrots and parsnips	Root Knot Nematode	1.25 L/ha	<p>Apply in 200 L of water/ha. Apply as a broadcast spray and immediately incorporate into the soil prior to planting. Make the application as close to planting as possible.</p> <p>Do not use Velum Prime on carrot or parsnip cultivars that will be harvested within 100 days of planting e.g. baby carrots and baby parsnips.</p>

RESTRICTIONS:

The maximum application rate is set at 1.25L product/ha, with a maximum of one application to the same area in any 365 day period

It is an offence for users of this product to cause residues exceeding the relevant MRL in the Food Notice: Maximum Residue Levels for Agricultural Compounds.

RESISTANCE MANAGEMENT:

Velum Prime contains fluopyram which inhibits the nematode generation of cellular energy. Resistance to this nematicide could develop in some situations from repeated use. To minimise the risk of resistance use accordingly to instructions on the label.

WITHHOLDING PERIOD:

Carrot and Parsnip— 100 days

CONDITIONS OF SUPPLY:

READ THESE CONDITIONS OF SUPPLY BEFORE BUYING AND USING. IF THESE CONDITIONS ARE UNACCEPTABLE, RETURN AT ONCE UNOPENED.

To the extent permitted by law Bayer does not accept any liability or responsibility whatsoever for any loss, damage or injury whether direct, indirect or consequential howsoever arising in connection with these goods, including without limitation their storage, application, handling or use. Bayer does not make any warranties (express or implied) with respect to fitness for purpose, merchantable quality or any other matter.

To the extent only that Bayer is prevented by law from contracting out of the Consumer Guarantees Act, then these conditions apply subject to that Act. The Act shall not apply where these goods are acquired for business purposes.
