

# Vegetables ROADSHOW

2022

Vegetables New Zealand (VNZI) and Process Vegetables New Zealand (PVNZ) are hosting two roadshow events for vegetable growers. The purpose of the regional roadshows is to keep travel to a localised area, and Growers are invited to attend their local event. Both roadshows and AGM's will be livestreamed and videoed.

Here is the link to register for the events <https://confer.eventsair.com/vegeroadshows/reg>

For further programme updates go to either <https://www.processvegetables.co.nz/events/> or <https://www.freshvegetables.co.nz/news-and-events/events/>
